Pre-order Small Great Things in hardback and receive a beautiful free physical copy of Jodi Picoult's ebook-only short story Shine. Simply pre-order here and go to www.jodipicoult.co.uk to enter your details.

'To Kill a Mockingbird for the 21st Century' Real Reader ReviewWhen a newborn baby dies after a routine hospital procedure, there is no doubt about who will be held responsible: the nurse who had been banned from looking after him by his father. What the nurse, her lawyer and the father of the child cannot know is how this death will irrevocably change all of their lives, in ways both expected and not. Small Great Things is about prejudice and power; it is about that which divides and unites us. It is about opening your eyes.
